## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
National Federation of Community Broadcasters, Inc.

We have audited the accompanying financial statements of National Federation of Community Broadcasters, Inc. (a non-profit corporation), which comprise the statement of financial position as of September 30, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Federation of Community Broadcasters, Inc. as of September 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Other-Matter***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on page 7 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NATIONAL FEDERATION OF COMMUNITY BROADCASTERS, INC.  
NOTES TO FINANCIAL STATEMENTS  
September 30, 2014

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Purpose of the Organization

The National Federation of Community Broadcasters, Inc. (the Organization) is a tax exempt nonprofit public benefit corporation. The Organization was formed as a membership organization consisting of non-commercial educational public radio stations. The Organization serves its members, as well as the public broadcasting field, by representing the members and the field to national policy and funding organizations, and by providing technical assistance to improve the quality of public radio.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

The Organization's financial statement presentation complies with standards issued by the Financial Accounting Standards Board. According to those standards, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Unrestricted Net Assets - represent resources over which the Board of Directors has unlimited discretionary control to carry out the activities of the Organization in accordance with the Articles of Incorporation and By-Laws.

Temporarily Restricted Net Assets - represent resources whose use is limited by donor-imposed restrictions that will be met either by actions of the Organization or by the passage of time.

Permanently Restricted Net Assets - are subject to donor-imposed stipulations that the net assets be retained and invested permanently. The Organization presently has no permanently restricted net assets

Promises to Give

Contributions and grants are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions or grants are recognized. All other donor-restricted contributions and grants are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

NATIONAL FEDERATION OF COMMUNITY BROADCASTERS, INC.  
NOTES TO FINANCIAL STATEMENTS  
September 30, 2014

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont)**

Income Taxes

The Organization is exempt from income taxes pursuant to section 501(c)(3) of the Internal Revenue Service Code. Therefore, no provision is made for taxes on income.

On October 1, 2012, the Organization adopted the provisions of Accounting for Uncertainty in Income Taxes. This accounting standard requires that a tax position be recognized or derecognized based on a "more-likely-than-not" threshold. This applies to positions taken or expected to be taken in a tax return. The implementation of the standard had no impact on the Organization's statement of financial position or statement of activities. The Organization does not believe its financial statements include (or reflect) any uncertain tax positions. The Organization's tax returns filed prior to fiscal 2012 are closed.

Fixed Assets and Depreciation

Fixed assets were recorded at cost or, in the case of donated property, at their estimated fair market value at the date of the donation. Depreciation of fixed assets is provided over the estimated useful lives of the respective assets on a straight-line basis. Buildings and building improvements were depreciated over periods ranging from 15 to 30 years. Expenditures for repairs and maintenance are charged to operating expense as incurred. Fixed assets were entirely disposed of in fiscal 2013, and the balance at September 30, 2014 was \$0.

Use of Estimates in Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents for the purposes of the statement of cash flows.

Compensated Absences

Full-time employees of the Organization are entitled to paid vacations and personal days off. It is impracticable to estimate the amount of compensation for future absences, and accordingly, no liability has been recorded in the accompanying statement of financial position. The Organization's policy is to recognize the costs of compensated absences when actually paid.

NATIONAL FEDERATION OF COMMUNITY BROADCASTERS, INC.  
NOTES TO FINANCIAL STATEMENTS  
September 30, 2014

**NOTE 2 - FUNCTIONAL ALLOCATION OF EXPENSES**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Costs are allocated between administration, fundraising, and the appropriate program based on evaluations of the related benefits. Administration expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

**NOTE 3 - NOTE PAYABLE**

The Organization entered into a loan agreement with Wells Fargo, which had interest at a fixed rate of 5%. The note matured on January 14, 2014, at which time all unpaid principal and interest was due. The entire balance was paid in full by the loan maturity date.

**NOTE 4- SUBSEQUENT EVENTS**

Management has evaluated subsequent events through January 23, 2015, the date which the financial statements were available for issue.

NATIONAL FEDERATION OF COMMUNITY BROADCASTERS, INC.
